

## **Newspaper Clippings volunteer Role Description - Barrow**

### **About Cumbria Wildlife Trust**

As one of 46 independent Wildlife Trusts, we are a local wildlife conservation charity. Cumbria Wildlife Trust cares passionately about wildlife, wild places and people – we're here to put wildlife back into our land and seascapes to make Cumbria a wilder county with more space for nature. We restore and connect wild places, work with nature to tackle the climate emergency and support people to take action for wildlife.

We wouldn't be able to do what we do without the dedication and support from our community of 700 active volunteers, and over 15,000 members and supporters.

### **What is a Newspaper Clippings volunteer?**

We are looking for volunteers who will help us with the local media monitoring.

You will check the North West Evening Mail (Barrow's daily local paper) for stories about Cumbria Wildlife Trust, cut out and send these clippings to us, four times a year. This service plays an important role in helping us to compile our county-wide press coverage statistics.

### **What's in it for you?**

You'll help the Cumbria Wildlife Trust monitor the press coverage we get for our work in the Barrow area.

This role will suit anyone interested in volunteering with Cumbria Wildlife Trust and who regularly buys and reads the local press. It would especially suit those who:

- Buy the North West Evening Mail regularly
- Want to support the work of the Trust
- Are happy to be involved from home
